Purpose Retreat Overview

The Youth Frontiers Purpose Retreat includes a dynamic mix of activities designed to have the greatest impact on participants. Generally, the Purpose Retreat runs **three and a half hours** in length. The retreat focuses on helping educators rediscover the motivation that led them to education, leaving them renewed and recommitted to their vocation and their students' success.

WELCOME

We welcome participants with music and high-energy activities that break down social barriers. Our goal is to encourage educators to take positive risks and connect with one another.

GOALS

After building a sense of community, our staff shares the retreat's goals. We encourage educators to take a closer look at their purpose and the "static" that might be getting in their way.

PRESENTATIONS

Programs Staff share personal stories centered on the values of the retreat. With humor and heart, Retreat Staff challenge educators to reconnect to their vocation.

SMALL GROUPS

Educators meet in small groups to encourage more in-depth discussion of the topics covered on the retreat.

SHARING

Educators get the chance to share specific ways that they will recommit to their purpose of teaching.

FOLLOW-UP

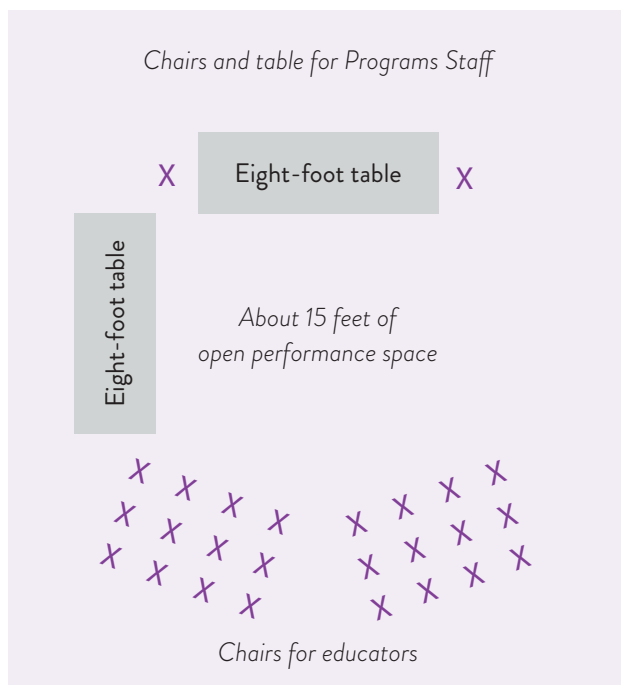

We equip schools with follow-up materials and measurement tools to reinforce the messages discussed on the retreat.

Booking a Facility

Though we strongly recommend you select an off-campus location for your Purpose Retreat, doing so is optional. Retreats at a neutral location are more effective and free from distractions. Schools typically reserve a space at a nearby community center, religious center, banquet center, hotel conference room or similar type of facility.

Have the facility opened **at least one hour before educators arrive** to allow the Youth Frontiers staff to set up. Please notify the facility staff that the retreat will be loud. Since music is an important element of our retreat, we use our own sound system to play live and recorded music throughout the day.

Ideal Room for Your Retreat

1

The minimum area for a group of 100 educators is 1,200 square feet.

2

We need **two eight-foot tables** and **two chairs** in the room, along with performance space for facilitators.

3

Chairs are needed for participants to sit on. Chairs should be able to be moved and initially set up auditorium style. Additional space is required to spread chairs out into circles for small-group discussions.

Transportation

Faculty and staff usually drive themselves, but you may choose to hire a bus. Please remember that transportation costs are paid by the school and are not included in the Youth Frontiers retreat fee.

Food

Many Purpose Retreats that start first thing in the morning will begin with a continental breakfast. For afternoon retreats, consider offering a mid-retreat snack. Some schools prefer to keep the snack in the room so that staff may continue to connect with one another. Food is provided by the school.

Nametags

Educators need to be wearing their nametags before the retreat begins. Distribute nametags to staff prior to your arrival at the retreat location. When your staff is wearing nametags, Programs Staff can immediately begin connecting with them by name. For computer-printed nametags, be sure the font is at least 48-point type so our staff can read them from far away.

Pro Tip: Some school communities will also add preferred gender pronouns to the bottom left corner of their nametags.

Staff Expectations

Please take a moment to send a memo to your staff about the retreat experience. This will help set the expectations for your staff and help answer any questions they may have.

It's important that your staff comes wearing comfortable clothing. As noted, there is time throughout the retreat for discussion and activities that require minimal movement, and we want the staff to feel comfortable and ready to participate.

Sample Memo to Staff

Dear Staff,

I am excited about the upcoming Purpose Retreat to be presented by Youth Frontiers, Inc. Youth Frontiers (YF) is a nonprofit organization that has been delivering retreats to schools since 1987. They provide schools with experiences that inspire character, civility and community.

You can expect a day of engaged conversation, which will delve into why teaching is important and what our own purpose is in this vocation. This half-day retreat will give needed time and space to rediscover what originally drew us into this profession and to recommit to our students' success.

Teachers recently made these comments following their experience on the Purpose Retreat:

"To say the Purpose Retreat was a focused opportunity to reflect on ourselves, each other and why our job is more than just a job to us is an incredible understatement. Our staff has never felt so connected, driven and positive about a school year."

"Our people are honored, energized and have their spark back!"

"We are so busy from day to day, so this retreat gave us a great opportunity to connect with each other."

The Purpose Retreat is scheduled on _____ (date) and will be held at _____ (place).
Please arrive no later than _____ (time). We will be finished at _____ (time.)

Visit youthfrontiers.org/purpose-retreat for more information about the Purpose Retreat.

Thanks in advance for your support and participation at this important event.

Sincerely,

School Principal or Staff Member
