

YOUTH FRONTIERS

financial summary from the 2020-21 fiscal year

“Last year showed the vision, resolve and grit of this entire organization. Innovation thrived at Youth Frontiers. It took resiliency and determination from every person in the organization to deliver our vibrant programs using new and dynamic mediums. We could not have accomplished any of it without the continued support of our donors for which we are so grateful. Operating with prudent fiscal management ensured that our foundation remained solid, enabling us to continue spreading our message and serving our community. Having triumphed over last year, Youth Frontiers remains well positioned to provide experiences that inspire character, civility and community to a world crying out for it.”

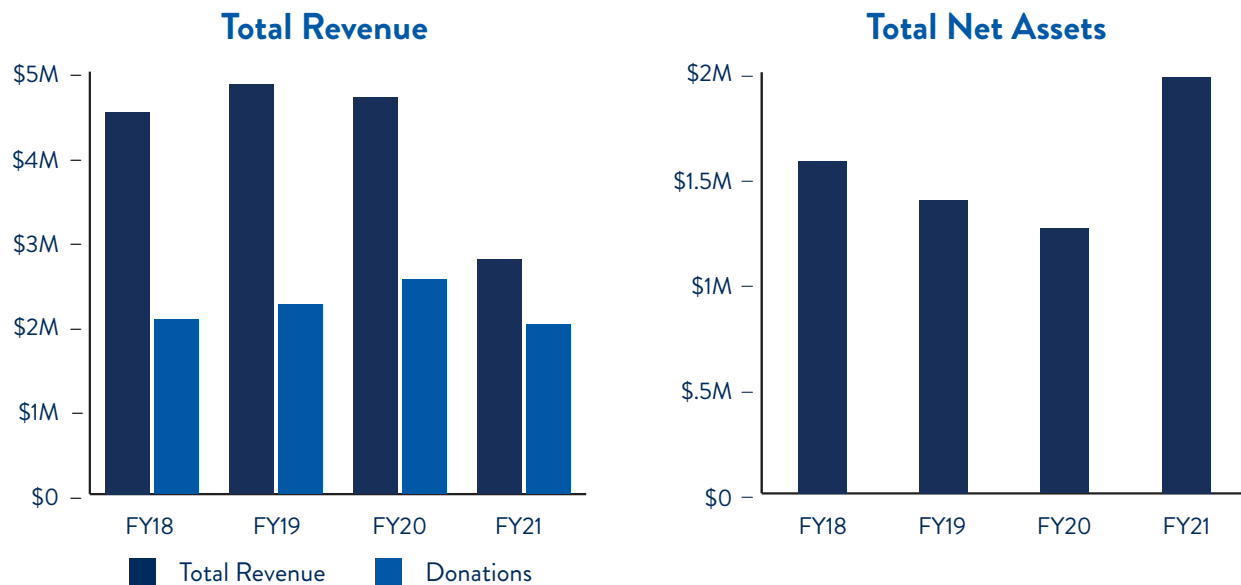

— Jon Reissner, President, Activar, Inc.; Board Chair, Youth Frontiers
